Dear parents/guardians,

We are currently in the process of an exciting opportunity to develop the language department at Kingsmead. As a result of this, we are now in position to be able to offer taster sessions in Mandarin and GCSE qualifications in French and Spanish. This will be part of the new launch of the languages department at the beginning of next academic year whereby we are able to offer new language learning classrooms, language opportunities and the use of new digital based resources.

Therefore, we would like to offer your son/daughter an opportunity to possible studying Spanish next year as part of their GCSE course. This will involve your son/daughter learning Spanish as a new language over the course of three years whereby he/she will gain a GCSE qualification in Spanish.

If this is something you and your child would be interested in finding out more, please fill out the consent form below and I will be in touch with your child in the first instance and they will be offered a taster session in the next couple of weeks.

All consent forms need to be handed into your language teacher by Friday 15<sup>th</sup> of June 2018. If you have any questions, please do not hesitate to contact me.

I very much look forward to this exciting opportunity and from hearing from you.

Kind regards,

Miss Ceri Porter

Assistant senior Leader of Teaching and Learning
