

December 2015

Dear parent/carer

Re. Year 10 mock exams in RE and Science

All of our Year 10 students will be sitting their GCSE RE and Science at the end of this school year. In order to support their preparations they will be sitting mock examinations before Christmas. The RE exam will take place on the afternoon of Friday 11th December and is due to finish at about 2.30pm. At this time students will be dismissed and allowed to go home. The Science exam will take place on the morning of Monday 14th December and students will return to normal lessons once the exam has finished.

I am sure that you will want to join the staff in reminding your child of the importance of these exams and of preparing thoroughly for them.

Yours faithfully

Ian Bryant
Headteacher
