## EDUCATIONAL VISIT TO: New Cross Hospital – Allied Health Professions

Dear Parent/Person with Parental Responsibility,

We have been offered the opportunity to take a selected number of students on an Allied Health Professions Day at New Cross Hospital on Thursday, 16<sup>th</sup> October. The aims of the visit are to:

- Offer students an introduction to Allied Health Professions (AHP) within the NHS and to recognise their roles in patient care
- Enable students to recognise what training is required to begin their journey in these careers

The Professions participating in the day are: Physiotherapy, Occupational Therapy (OT), Orthotics, Speech and Language Therapy (SLT), Dietetics, Paramedics, Podiatry, Diagnostic and Therapeutic Radiography, Operating Department Practitioners (ODP), NHS Futures and Apprenticeships. We hope this day will support your child's knowledge in potential careers they could consider for the future.

We will be leaving school at 08:45am and the predicted time of return is 14:45pm. We will be travelling on the school minibus and therefore there will be no charge for this trip. Your child will be expected to be responsible enough to wear any seatbelt provided until informed it may be released. Students will need to bring their own lunch, drinks and snacks with them. If your child is in receipt of free school meals, a cold lunch will be provided by school for them to take. Students must come wearing smart clothes, as per the Sixth Form dress code.

Participants attending this visit will need to have a record of good behaviour and demonstrate that they can obey safety and other rules. Anyone whose behaviour becomes unacceptable after the trip has been booked may be excluded or required to return home early and any expenses incurred will be the responsibility of their parents.

Advance warning is needed of any participants with special medical or other needs to ensure all health and safety considerations have been made. Parents must inform the school of any relevant medical or other needs on the visit consent form. All bona fide educational visits undertaken by Kingsmead School are covered by insurance provided through our insurance arrangements. This visit is considered to have only normal everyday risks and no further insurance has been provided.

Yours faithfully,

*N Kendall*

Mrs. N. Kendall
