ENRICHMENT ACTIVITY: Wellbeing Walking

Dear Parent/Person with Parental Responsibility,

As part of your child's next enrichment of Wellbeing Walking, it is proposed to leave school site Tuesdays in week 1 and 2 during period 6, 14:30-15:30, for the Autumn 2 term (05.11.24 – 17.11.24). This is to allow us the freedom to walk within the local area, to visit parks and fields and to experience benefits of the fresh air and exercise. All students will remain in their group and will be accompanied by the lead teacher at all times. Please return the attached consent form by Friday 25th October 2024 to enable the activity arrangements to be completed and confirmed.

As students will be walking, suitable footwear and outerwear (waterproof and warm coat) is required. In the event of poor weather conditions, alternative activities will be set indoors. Students participating in this activity will need to have a record of good behaviour and demonstrate that they can obey safety and other rules. Anyone whose behaviour becomes unacceptable after the activity has been arranged, may be excluded from this and asked to remain in school within a different enrichment group.

Advance warning is needed of any students with special medical or other needs to ensure all health and safety considerations have been made. Parents must inform the school of any relevant medical or other needs on the visit consent form. All bona fide educational visits undertaken by Kingsmead School are covered by insurance provided through our EFA Risk Protection Arrangement with the government. This visit is considered to have only normal everyday risks and no further insurance has been provided.

Yours faithfully,

Hayley Harper (Visit leader)
